ALLERGEN WARNING: Church's, its franchisees and employees do not assume responsibility for a particular allergy or sensitivity to any food provided in our restaurants. Federal regulations have identified the following major food allergens: dairy, egg, fish, peanut, shellfish, soy, tree nuts, wheat and MSG. For your convenience, menu items and ingredients that contain these major allergens have been indicated. Some Church's restaurants sell fish and/or shellfish products. Chicken and other fried products sold in those stores may be fried in the same oil used for frying fish and shellfish products.

Recommended limits for a 2,000 calorie daily diet are 20 grams of saturated fat and 2,300 milligrams of sodium. Our chicken is grown hormone-free. We encourage anyone with food allergies, sensitivities, or special dietary needs to check our website at www.churchs.com on a regular basis to obtain the most comprehensive and up-to-date information. If you have specific questions about our menu, contact us: 1-866-345-6788.
