**CHURCH'S CHICKEN® KICKS OFF THE SEASON OF GIVING  
WITH ANNUAL FUNDRAISER FOR SCHOLARS PROGRAM, OCT. 31**

*Donate \$1 and receive \$20 in savings at your local Church's Chicken®*

ATLANTA, GA – *Church's Chicken*® is offering a special treat to complement your Halloween tricks starting this Oct. 31, 2016, when they launch their annual **Coupon Booklet Fundraiser** benefitting the *Church's*® Scholars Program. For just a \$1 donation, guests will receive a coupon booklet filled with six coupons that are good for the brand's popular hand-breaded fried chicken, scratch-made Honey Butter Biscuits and more. The Coupon Booklets will be available at participating *Church's* from Oct. 31 through Nov. 27, or while supplies last.

"Thanks to the generosity of our guests who have donated and received Coupon Booklets in past fundraisers, we've been able to increase the number of scholarships the Foundation is able to award deserving students each year," said Sherry Ulsh, Scholarship Program Chair for the Church's Partners Foundation. "A significant portion of our scholarship funding is secured from the Coupon Booklet fundraiser."

Each Coupon Booklet features six coupons with \$20 in savings. From free chicken and biscuits to enticing meal deals, guests will get a lot of bang for their one buck donation. All coupons are valid from Nov. 1, 2016 through Jan. 31, 2017. Offers may not be combined or used with other promotional deals. There is no limit on the number of booklets and only while supplies last.

In 2016, the Church's Partners Foundation awarded \$225,000 in scholarships to high school seniors. Each student received a \$1,000 scholarship to use toward his or her college tuition. Scholarships were distributed through 17 states, where *Church's*® has a presence. In addition, the Foundation awarded scholarships to some of *Church's* own employees to help them further their education.

"At *Church's*®, we pride ourselves on being a neighborhood brand," Ulsh said. "The Church's Scholars Program allows us to give back to the communities that we serve and help shape the futures of these young individuals."
